

VASOVITE®

Dietary Supplement for Healthy Ocular Vasculature

PRODUCT DESCRIPTION

VASOVITE was developed by ophthalmologists and optometrists for use with patients that may have diets deficient in magnesium, vitamins, antioxidants and other ingredients necessary for maintaining a healthy ocular vasculature.

VASOVITE is formulated with a complex of magnesium compounds, referred to as MagnaPlex™, that provide as much as 400 mg of elemental magnesium per day. Magnesium reduces the production of endothelin-1, a potent vasoconstrictor. High levels of endothelin-1 have been linked to restricted blood flow to the eye and increased intraocular pressure (increased nitric oxide). MagnaPlex optimizes the delivery of magnesium in the G.I. tract; maximizing dissolution to improve absorption and minimize intolerance. Magnesium, when metabolized by the body and available at the cellular level, also acts as a physiological calcium channel blocker.

VASOVITE also contains folic acid that works in concert with magnesium, by reducing homocysteine levels in the blood, to improve vascular regulation. In addition, the VASOVITE formulation contains B complex vitamins, antioxidants, coenzyme Q10 and bioflavonoids.

Eyecare professionals recommend VASOVITE to patients that may benefit from dietary support and is a good choice for patients that wish to help maintain healthy ocular blood flow to the optic nerve.

VASOVITE is manufactured with the highest quality ingredients.

VASOVITE is supplied as a coated, capsule-shaped, natural colored tablet.

PRODUCT OFFERING

VASOVITE® is available in a 60-tablet bottle.

The VASOVITE formula is follows:

Supplement Facts

Serving Size: 3 tablets

Servings Per Container: 20

	Amount Per Serving	% Daily Value
Vitamin C (as ascorbic acid)	100 mg	167
Vitamin E (as d-alpha)	25 IU	83
Niacin	25 mg	125
Vitamin B ₆ (as pyridoxine HCl)	5 mg	250
Folic acid	400 mcg	100
Vitamin B ₁₂ (as cyanocobalamin)	5 mcg	83
Magnesium (as oxide, A.A. chelate)	400 mg	100
Hawthorn Flower & leaf extract (Standardized to 1.8% [1.8 mg] vitexin)	100 mg	*
L-carnitine (as tartrate)		*
Soy (<i>Glycine Max</i>) bean extract**	500 mg	*
(Standardized to 2.5 - 3.5% [6.25 - 8.75 mg] isoflavones)	250 mg	*
Horsechestnut seed extract (Standardized to 20% [20 mg] aescin)	100 mg	*
Taurine		*
Green tea leaf extract (Standardized to 50% [25 mg] epicatechin)	500 mg 50 mg	*
Grape (<i>Vitis vinifera</i>) seed extract***		*
Citrus bioflavonoids	5 mg	*
Cayenne (<i>Capsicum annuum</i>) fruit	50 mg 25 mg	*

* Daily value not established.

Other ingredients: May contain one or more of the following: magnesium stearate, cellulose, vegetable stearin, dicalcium phosphate, and silica.

Standardized extracts are produced by European companies under strict European quality control standards.

** From *SoyLife*® brand premium soy isoflavone extract.

*** From ACTIVIN®, an all natural grape seed extract rich in biologically active flavonoids

SoyLife is a registered trademark of Schouten, USA

ACTIVIN is a trademark of Interhealth

Contains no added dairy, yeast, wheat, corn, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take three (3) tablets daily with meals or as directed by an eyecare professional.

Store in a cool, dry place and away from direct light. Keep out of the reach of children.

Quality and potency guaranteed.
